

Step By Step

CARDBOARD BOX ASSEMBLY

Please follow these steps to properly complete your carton and prepare it for use.

Step 1
Open the flat carton to unfold the base flaps.

Step 2
Turn upside down.

Step 3
Fold both short side base flaps up to 90 degrees.

Step 4
Bend back the small tabs as shown in the image.

Step 5
Fold down the slotted base piece, then insert the tabbed piece into the slots.

Step 6
Stand the box upright. Unfold the small tabs and press them flat.

Step 7
Fold the side flaps down to secure the base. The box should now sit flat, ready for plants.

Step 8

Fold the long sides first, then the short ends.

Step 9

Fold down the tabbed end and insert it into the side hole to lock in place.

Step 10

Stack cartons directly on top of each other, aligning corners. Do not crisscross.
